

# Pope John Paul II Church

## Construction Update • September 14, 2008

**Labor donation opportunities** will be forthcoming. Please call the office at **264-5702** and register your name and talent.

Planning is now taking place for parishioners who are willing to build book shelves and display cases.

**We need volunteers at the JP II site on the following dates:**

Saturday, Sept. 20 - 9:00 a.m.  
Prayer Garden Clean Up

Saturday, Sept. 27 - 9:00 a.m.  
Open House Preparation

### **“Meet at the Rock” Sunday, Sept. 28**

Open house with coffee and donuts. A guided tour throughout the morning will give everyone a chance to view the construction progress and to take some rocks home for their mantle or rock garden.

**Your prayer support is vital to our progress.**

*“Lord Jesus Christ, bless the building of the Pope John Paul II Church with your Grace and Mercy. We pray that your protection, wisdom and guidance be with all of the contractors in the timely completion of their work. Bless those responsible for managing the project finances with wisdom and prudence in all expenditures. Enable those with resources to contribute their time, talent and treasure to this 100 year milestone in the Archuleta Catholic community history. We pray that this work will also be blessed by the Immaculate Heart of Mary. We humbly give you thanks for the abundance of your blessings. Amen.”*

FCI works “rain or shine” for the roof to go up.

This picture shows that 10 trusses were erected by noon. As of 4:30 p.m., September 10, all the trusses are now in place and ready for the roof to be installed.
